...and much more, detailed in the separate Seminar Program flyer

An AGIA ***Back to Basics Workshop*** will also be held at

Thurgoona Country Club

3rd August 2017

Registration 10.00am, finish 3.30pm

Growers and industry stakeholders are welcome to book both events
or either event separately

Programs for both events are on the AGIA website
<http://garlicaustralia.asn.au/>

Back to Basics Workshop

Hosted by Penny Woodward. Penny will be joined by experienced growers to present a very informative and interactive Workshop.

The Workshop will provide existing growers a good refresher and provide new growers the ideal preparation for attending the AGIA Seminar where they will gain a good insight into the garlic industry

More info available in the separate flyer

Friday Night 3rd August

Meet new colleagues and friends at an informal get together at the Thurgoona Country Club bar and restaurant from 5.00pm onward.

Saturday 4th August

Thurgoona Country Club will provide a chef and BBQ meal to kick off a social evening.

Please rsvp on the *Registration Form*

The Members Display Board

As in previous years, we will have a "Members Board". Promote your business, bring along a smart A4 farm profile to display what and how you are growing and producing together with a short personal profile.

Add some photos and a contact email or phone.

Your A4 profile will be displayed in a smart area

You may find a neighbour, that you did not know you had
